

# My Robot

Moderately fast

$\text{♩} = 90$

*f*

1. Once I made a fine ro - bot,      Made him of a kitch - en pot!
2. Hope you don't think I am rude,      But please bring me something good. -
3. If you make a new robot, Please      don't use a kitchen pot. - -

5

- When I fin - ished my ro - bot,      He said, "Thanks a lot!" - -
- Pots are programmed to hold food. Bring me all you've got! "Thanks a lot!"
- 9 He'll eat all the food you've got,      And say, "Thanks a lot!" - -

9

*3rd time gradually dying away-*

- "Thanks a lot!      Thank you! Thank you!      Thanks a lot!"
- "Thanks a lot!      Thank you! Thank you!      Thanks a lot!"
- "Thanks a lot!      Thank you! Thank you!      Thanks a lot!"
